

Perfect Connections you can rely on.

**Quality Refuelling
Equipment from
the Specialist.**

Experience at your disposal:
Elaflex dates back to 1923.

Our name stands for single source, consistent high
quality refuelling equipment, made in Germany.

Assured safety and performance when combining hose
and couplings as an assembly for hazardous cargo –
tested and certified.

Alternatively, Elaflex components are also suitable
for a safe self-assembly from the coil.
