ELaSil® Silicone Hose Assemblies

i Additional Information:
www.elaflex.de/en/elasil

The **ELaSil** range of **silicone hoses** is suitable for high media purity requirements of the pharmaceutical, foodstuff and cosmetics industries.

They are easy to clean, conform to FDA and USP Class VI and meet the 3-A Sanitary Standard.

The smooth lining and cover of platinum-cured, translucent, phthalate-free silicone is very flexible, kink resistant and has a large temperature range from -60°C to $+200^{\circ}\text{C}$.

Sizes DN 13 - 102 mm, assembled to customers specification.
