

SERVICE IN A NEW DIMENSION

The new Elaflex Product ID App

ELAFLEX

ELAFLEX GOES SMART

To stay ahead of your competition means that you have to utilise technical opportunities. For this reason, Elaflex has developed the unique ELAFLEX 'Product ID App'.

After installing the App on your Android or iOS device, Elaflex products become digital – by scanning the Data Matrix Code of any Elaflex product the App provides you access to the specific product history and documentation. All facts, features and tips are available at your fingertips.

- Increased safety.**
- Improved efficiency.**
- Reduced costs.**

STEP INTO THE DIGITAL WORLD OF ELAFLEX AND LINK OUR PRODUCTS TO YOUR BUSINESS.
